

## Welcome !

Our teams of professionals provide consulting, tax, financing, and legal services to public and private small and mid-market enterprises . We specialize in providing unique and cutting edge solutions to starting, growing, and thriving in today's business world. We help our clients gain a deeper understanding and access to the capital markets while aiding creative, flexible, and insightful solutions and approaches tailored to their particular needs.

Overview : Avezta provides consulting, tax, financing, and legal services to public and private small and mid-market enterprises in multiple industries. Our mission is to develop your ideas into a tangible business and your business into a successful, strong and self-sustaining enterprise. Avezta is headquartered in San Diego, CA, provides services throughout the country and maintains a strong presence in Latin America. Avezta was founded in 2006 in response to the emerging need of knowledgeable professionals in the consulting and financial fields. Every industry is unique, every business idea original. This is why we tailor our services to better suit your particular needs.
